**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We chose a competitive provider and it's worked out very well for us. Turns out that more competition is GOOD for the marketplace -- not bad!

Small local providers like Sonic are nimble, responsive, and customer-focused, and that creates the right incentives for everybody.

Please don't mess it up after everything it's taken to get things right.
